THE RISEN CHRIST AND THE RESTORATION OF HUMANITY

For the past several months, I have been immersed in the work of restorative justice. About a year and half ago, Archbishop Hebda asked The Basilica of Saint Mary to be one of three pilot parishes to take up the work of restorative justice in the wake of the clergy abuse crisis in our Archdiocese. Since then, the abuse crisis and attendant cover-up has become a global crisis for the Catholic Church. During this time, I have learned much about the pain of abuse from victim-survivors and have seen first-hand, the healing power of restorative justice. With restorative justice very much on my mind and heart these days, I was struck by how much the theme of restoration can be seen both in the readings and prayers for Christmas and for Easter.

Fr. Daniel Griffith
Pastor
The Basilica of Saint Mary

On Christmas Day, we hear these words in the opening prayer: "O God who wonderfully created the dignity of human nature and still more wonderfully restored it, grant, we pray, that we may share in the divinity of Christ, who humbled himself to share in our humanity." Now, as we celebrate Easter, the theme of restoration is once again front and center. In the Easter Preface to the Eucharistic Prayer, we hear these words: "For he is the true Lamb who has taken away the sins of the world; by dying he has destroyed our death, and by rising, restored our life." The Epistle (Romans 6:3-11) at the Easter Vigil also speaks powerfully of our restoration in the risen Christ:

"We were indeed buried with him through baptism into death, so that, just as Christ was raised from the dead by the glory of the Father, we too might live in newness of life."

The reason we recognize the theme of restoration so prominently manifested on the Feasts of Christmas and Easter is because the work of restoration is central to the mission of Christ. We believe by faith that God's incarnate love in Christ culminated in the paschal mystery of Christ – his dying and rising. Through the death and resurrection of Christ all of humanity is "wonderfully restored" and indeed reconciled to love of the Father. The reality of restoration in

STRATEGIC AREAS OF FOCUS

The Basilica of Saint Mary is committed to the future growth of our parish. The *Our Parish Our Future* plan outlines the three strategic areas of focus for the next five years. This plan builds upon the parish's strong vision, mission, and values.

The Arts

Move, inspire, and transform individuals and communities through excellence in the arts and creative practices.

Inclusivity

Build a culture where people feel valued, welcome, integrated, and included.

Homelessness

Respond to the needs of people experiencing or at risk of homelessness. These three areas of focus were strategically selected through a comprehensive, contemplative process with our parish leadership, staff, and consultants.

The three areas will unify and inspire collaboration across our parish and resonate throughout our commitment to the community.

Christ is why the emotion of joy accompanies our Easter celebration. Again from the Easter Preface we hear: "Therefore overcome with paschal joy, every land, every people exults in your praise..." Using these words, I often tell Catholics at Mass that when someone asks them how they are doing during the Easter season, they should respond: "I am overcome with paschal joy!" I am only half joking and maintain that this is a perfect opportunity for evangelization.

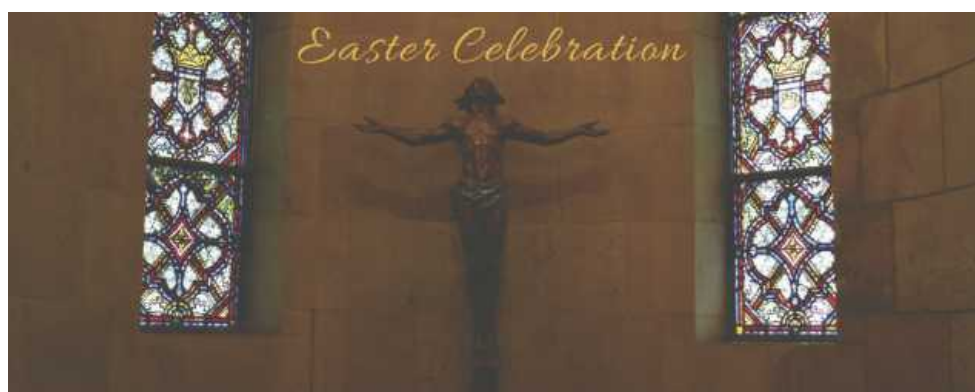

The real joy of Easter is borne of faith and the truth that God has kept his promise – we have not been left in sin and death, but raised to new life. This promise of new life also awaits the Church as we continue to bear the weight of our own self-inflicted wounds. The same characteristics that mark the paschal mystery of Christ must also mark the Church's path to new life: humility; suffering; service and obedience to God's will. This is the lonely path that Christ walked and the path – the way – that he sets before anyone who would dare to follow him. As people of faith, we know that the truth of the empty tomb of Christ provides an enduring power and meaning that gives us hope in our present circumstances – no matter how challenging they may be.

Finally, a familiar and hope-filled image has accompanied me through my work in restorative justice, last Easter, and again this Easter. It is the image of Christ on Holy Saturday. He has descended into the netherworld - the pit of destruction - to lift up and bring to life all those who have died. This is the powerful image on the cover of your Easter worship aid and bulletin. It is taken from an ancient icon and is meant as a source of hope for all believers.

The outstretched hand of the risen Christ awaits all of this Easter. We all experience suffering and challenges. We all have our crosses that we bear. Our present world appears to suffer greatly from a lack of meaning and compassion – realities that are co-extensive. Christ's promise of new life is not an abstraction – but an ancient promise that still holds power in our present lives and world. This truth is a source of joy and hope for Christians. On this Easter day – in this place – the hand of the risen Christ is outstretched to us – seeking to wonderfully restore us to new life.

Peace,

Fr. Griffith

HE IS RISEN!

Jesus said, "I am the resurrection and the life; whoever believes in me, even if they die, will live, and everyone who lives and believes in me will never die." John 11:25

Thank you for celebrating Easter at The Basilica of Saint Mary!

For more info, contact Janet at jgrove@mary.org or 612.317.3508.

CATHOLIC SOCIAL TEACHING: UNLOCKING OUR BEST KEPT SECRET

We are very grateful to all who attended our Catholic Social Teaching series for Lent, whether in-person or on our webinar. The turnout was very encouraging. We are currently working on more adult faith formation opportunities for the parish, including speakers, small faith group opportunities and more. All of our sessions for the CST series are available at mary.org if you missed any of the sessions.

We would like to continue the formation opportunities around Catholic Social Teaching. Fr. Daniel has a 13 part series that he previously recorded that will include more information around the foundation of our Church's social teaching, while also looking into particular issues to which our social teaching can speak. If you signed up for the Lent series, you will receive a weekly email with these presentations. If you did not register and would like to receive them, email Ben at bcaduff@mary.org to sign up.

THANK YOU PACKING EVENT PARTICIPANTS

On March 18, the SVdP Ministry held our largest quarterly packing event to date! Following great presentations from Align Minneapolis and Agate Minnesota, a group of over 50 parishioners (including several 5th grade students) and guests of the SVdP ministry packed 800 snack kits for distribution by Agate. Everyone came energetic and ready to work side by side to pack these much needed snack kits.

One of our SVdP guests shared with a leader of the event that it felt wonderful to give back and to be doing good for others. She has only been in Minnesota for a few months, but thought this was a wonderful opportunity to do something with the community. Agate staff was ecstatic to receive these kits and to share with those they serve.

NEED SUPPORT?

Emmaus Ministry might be the answer. As we enter into the joy of the Easter Season, we recognize that for some of us, things are really tough. We have trained Listening Ministers willing to sit with you in the pain or the unknown of what life is bringing right now. They can call you regularly on the phone, meet you at The Basilica, in a coffeshop, or in your home. They have the skills to listen deeply and be present to you, believing God is present. We also have Emmaus Homebound Communion Ministers who can bring communion to those unable to make it to Mass due to age, mobility, or health. And Emmaus Grief Ministers willing to support those who are suffering the death of a loved one by reaching out with handwritten notes all through that long first year of grief...and beyond.

Contact Wendy in the Caring Ministries office for information about any of these Emmaus Ministries: wcaduff@mary.org or 612.317.3474.

LANDMARK SPARK

LANDMARK SPARK

FRIDAY, MAY 19

MCNAMARA ALUMNI CENTER

5:30PM COCKTAILS | 7:00PM DINNER | 9:00PM DANCING

We've come a long way in protecting our beloved Basilica of Saint Mary, but more work is needed to care for our historic campus structures. Thirty years ago, visionary volunteer leaders created the "Friends of The Basilica" non-profit, now known as The Basilica Landmark. They engaged the broader downtown community and built awareness of The Basilica buildings recognized on the National Register of Historic Places.

Come celebrate thirty years of preservation efforts at this year's Landmark Spark! Cocktail hour followed by dinner, bidding, auction, and more. Purchase your tickets online today at thebasicalandmark.org/spark. Purchase your tickets before May 1.

AUCTION DONATIONS

Would you be willing to donate an item, service, or experience to this year's Landmark Spark online or live auctions? Most wanted items include: event tickets, unique experiences, hotel stays, gift cards, electronics, themed baskets.

Donation Deadline is Friday, April 21. For more information contact Brigette at bolson@mary.org or 612.317.3407.

FUND-A-NEED

Make a gift to support two critical Basilica projects that must be completed before any interior restoration can begin.

- **Bell Tower.** Moisture is wreaking havoc and could destabilize the bell tower structures and further damage the church interior, if not addressed. This project replaces the leaking bell tower roofs to prevent further damage from moisture incursion.
- **Church Envelope Study.** A critical evaluation is taking place through four seasons of the year. Forty-four sensors have been installed throughout the Church to record interior humidity and temperatures through Minnesota's changing seasons. Information gathered will be analyzed to identify solutions to prevent further moisture damage inside the Church and protect future restoration efforts.

For more information contact Molly at mcashman@mary.org or 612.317.3432.

THE BASILICA LANDMARK

Named first Basilica in the United States in 1926, The Basilica of Saint Mary is a historic treasure in downtown Minneapolis. Created to shine a light on the importance of The Basilica's campus buildings, The Basilica Landmark helps sustain these significant structures on the city skyline. It is critical that the beautiful Basilica and its campus be maintained for future generations. When you support The Basilica Landmark's restoration efforts, you honor both the history of The Basilica of Saint Mary and plans for its future.
